## 1. Personal Information

My CV/resume link:

- [in Bahasa Indonesia]: [https://drive.google.com/file/d/1e3rzOGD02l4xjar\\_rAs3N3g3gQzzunp8/view?usp=sharing](https://drive.google.com/file/d/1e3rzOGD02l4xjar_rAs3N3g3gQzzunp8/view?usp=sharing)
- [in English]:

Name: Daffa Gabillah Maulana Gapur

Domicile:

- Kampus ITS, Kec. Keputih, Sukolilo, Surabaya
- Kec. Siwalankerto, Wonocolo, Surabaya
- Kec. Sidokerto, Buduran, Sidoarjo

I'm a 3rd-year (junior) college student. eager to contribute to the company.

Throughout my academic experience, I've acquired proficiency in a wide array of industry-relevant software applications, including AutoCAD, Solidworks, Inventor, Maxsurf, Unisim, Hysys, R Studio, Odoo, and Excel.

Additionally, I've delved into various programming languages such as C++/C, Java, Python, Android Studio, and GitHub. Moreover, I've honed a range of practical engineering technician skills, including welding, HVAC refilling and maintenance, pneumatic systems operation, and general machine technician work. Also, solid to teach mathematics and physics.

Furthermore, my project portfolio available at <https://github.com/gabillah>.

- Ship Lines Plan & General Arrangement:
  - Oil tanker 20704 DWT (handymax): [https://github.com/gabillah/Projek-Ship\\_OilTanker\\_20704DWT-1](https://github.com/gabillah/Projek-Ship_OilTanker_20704DWT-1)
- Finance and Accounting: [https://github.com/gabillah/Practice\\_Finance\\_and\\_Accounting\\_1](https://github.com/gabillah/Practice_Finance_and_Accounting_1)

I sincerely hope my application will be favorably considered, allowing me to balance work commitments alongside my ongoing studies.

I'm willing to take on any role within the organization.

---
